## **INTRODUCTION FOR ANNETTE DUBROUILLET**

A seasoned manager, a degreed educator and a trained presenter, Annette Dubrouillet brings to her audiences talent, theory and practical experience. She has received such rave comments as “Best presenter I have seen in over 25 years of attending business seminars!” and “Excellent, entertaining, and totally informed.”

And why does she get those great comments? Because she has credibility with her audiences.

Annette has been out there in the “real world” of the Federal government. For more than 12 years she held leadership positions within the Department of the Army and the Department of the Navy. In one of her government positions Annette headed a staff of 350, served over 1500 customers daily and managed a budget in excess of \$4 million a year.

Now as the president of her own training and consulting firm, Annette works with organizations who want their leadership teams to better decision-makers and more creative problem-solvers.

Annette’s peers recognized her excellence as a speaker and her skills as a leader by electing her the 2000-2001 president of the Washington, DC chapter of the National Speakers Association and by naming her Chapter Member of the Year in June 2002.

She is here to share her expertise and experiences. Please join me in welcoming Annette Dubrouillet.
